NFPA members can read selected articles from past issues of *NFPA Journal* by clicking on the links below. ([Learn more about becoming an NFPA member.](#)) All visitors can review what's been published in former issues of *NFPA Journal* by visiting our [Author Index](#) and/or [Subject Index](#). To order articles from archived issues of *NFPA Journal*, please [contact NFPA's Charles S. Morgan Technical Library](#).

March/April 2002

COVER STORY

Permanent Record: NFPA guides business professionals, governments, and property owners in the protection of essential records that are vital to the performance and survival of their vested interests. [More](#). (NFPA members only, PDF*, 431 KB). [Not a member?](#)

FEATURES

NFPA 5000 Full-Service Building Code: NFPA 5000, *Building Code*™, proposes a full-service support package to train, certify, and help users apply the requirements of, and enforce, the code effectively. [More](#). (NFPA members only, PDF*, 811 KB). [Not a member?](#)

Wildfires 2001: Early last year, storms delayed the 2001 wildfire season. Despite the delay, the Pacific Northwest was hit hard, making it the region of the United States most severely affected by wildfires last year. [More](#). (NFPA members only, PDF*, 393 KB). [Not a member?](#)

January/February 2002

COVER STORY

Olympic-Sized Fire Protection: Public safety officials consulted NFPA standards when planning fire protection for the Salt Lake City Winter Games. [More](#) (NFPA members only, PDF*, 534 KB).

FEATURES

On the Right Track: NFPA 610 provides safety criteria for motorsports venues. [More](#) (NFPA members only, PDF*, 955 KB).

WTO and NFPA: NFPA is an international codes and standards-development organization. [More](#) (NFPA members only, PDF*, 228 KB).

November/December 2001

COVER STORIES

Collapse Aftermath - Engineering experts to study the World Trade Center events in a search for answers to why the buildings collapsed.

Evacuation - NFPA will revisit previous WTC study with an evacuation behavior follow-up.

Search and Rescue - NFPA standards guide the way officials search for WTC survivors and victims.

Terrorism: Impetus for Change - NFPA examines its role of providing fire service with standards that aid the response to terrorism.

First Responders - The real thing shows the need to refine first-responder preparedness and protective equipment for terrorism attacks.

[These five cover stories are available in one PDF file](#) (NFPA members only, 1.4 MB).

Looking Back...at Heroes - Among the dead in the World Trade Center collapse were eight members of our NFPA family. [More](#) (PDF*, 85 KB) (NFPA members only)

A Day with the Heroic Firefighters of FDNY - Fellow firefighter understands why they placed themselves in harm's way at the World Trade Center inferno.

FEATURES

U.S. Firefighter Injuries of 2000 - Last year, 84,550 firefighters were injured, the lowest number since 1977. (NFPA members only)

Large-Loss Fires of 2000 - The costliest fire of 2000 resulted in a direct property loss of \$1 billion(NFPA members only)

September/October 2001

COVER STORIES

Catastrophic Fires of 2000: Last year, 176 people died in 34 multiple-death fires, more than half of which were residential. [More](#) (NFPA members only) (PDF, 389 KB)
