We founded *Parents Against Corruption and Cover-up (PACC)* shortly after the 1991 murder of our son, Tommy . We created this web site as a repository of information related to Tommy's murder and the cover up by the FBI and Fairfax Co. VA police; as a gallery of squares and stories represented in *The Coverup Quilt* (a family memorial to victims of covered up murder), and as an online home for our newsletter, *The Bulldog* **Tom Burkett & Beth George**
